

The Choice is MINE

PotashCorp,
*a global leader in the
fertilizer industry, supplies
nutrients that are essential
to crop production around
the world. We make safe
and responsible operating
practices a priority and
strive to recruit people who
share our commitment to
continuous improvement.*

PotashCorp is offering opportunities for outstanding careers in Saskatchewan, a vibrant and growing province with excellent education and health-care facilities, friendly cities and an exciting future. With an average of 2,400 hours of sunshine annually and a host of outdoor activities and cultural festivals, our home provides a great quality of life. Join us!

Warehouse Supervisor

PotashCorp – Cory Division, located eight kilometres west of Saskatoon.

Reporting to the Purchasing Agent, the Warehouse Supervisor is responsible for the organization, supervision and direction of the underground and surface warehouse employees, facilities and control of inventory levels.

Qualified candidates will have supervisory experience in an industrial warehouse environment preferably in a mine site operation. Emphasis will also be placed on prior supervisory experience, working knowledge of OH&S and safety practices, organization and communication skills together with strong computer abilities. Possession of the Supply Chain Management Professional designation (formerly CPP) would also be considered an asset.

The successful candidate may be required to undergo a background check. All safety sensitive positions require a substance test in accordance with PotashCorp policy.

Interested candidates may submit resumes in confidence by February 14, 2011, to:

Human Resources
PotashCorp – Cory
PO Box 1320
Saskatoon, SK S7K 3N9
Fax: 306-384-9132
