

Purchasing Manager

Mosaic Potash is currently seeking two (2) individuals to join our dynamic team of talented professionals. One position will be located at Mosaic Potash Esterhazy, which has two shaft mines located near Esterhazy, approximately 75 kilometers southeast of Yorkton. The other position is at Mosaic Potash Belle Plaine, a solution mine and refinery located 50 kilometers west of Regina.

As one of the two successful candidates, you will be responsible for the identification, acquisition, positioning and management of MRO materials, process chemicals, production and maintenance services, contract labour and administrative supply requirements needed to support your site operations. You will manage/supervise the purchasing, receiving and inventory of all MRO items for multiple storeroom locations, as well as communicate and implement Business Unit procurement policies and procedures.

Ideally, the successful candidates will have a degree in Business Administration with a minimum of five years' professional experience in procurement and contract administration. CPP certification or enrollment in the Purchasing Management Association of Canada (PMAC) Program leading to CPP designation is desirable. Excellent verbal and written communication skills along with demonstrated problem-solving abilities and above-average computer skills are a must.

Buyer

Mosaic Potash Esterhazy is seeking an individual to fill a buyer position. In this role, you will perform purchasing activities for all non-stock materials, equipment and services. You will be responsible for communicating with site personnel to understand their purchasing needs, negotiate with suppliers, monitor delivery and review invoicing and expedite delivery when necessary. The incumbent will be challenged to build vendor partnerships and work with Business Unit and corporate resources to develop and enhance maintenance purchasing strategies.

Ideally, the successful candidate will have a degree or diploma in Business Administration and 3 to 5 years of applicable experience. You must have knowledge of procurement, including contract negotiations and administration. CPP certification or enrollment in the Purchasing Management Association of Canada (PMAC) Program leading to CPP designation is desirable. Outstanding organizational and time management skills along with excellent verbal and written communication skills and above-average computer skills are a must.
