

Health Care Administration Class of 1986 Bursary

Description: The Health Care Administration Class of 1986 Bursary is offered annually to provide recognition to students who show significant academic achievement in the Edwards School of Business participating in a program associated with Health Care Administration.

Value: \$800

Eligibility: Open to students enrolled in the Edwards MBA program. Annually one student from the Edwards MBA Program who has participated in at least one course related to health care administration will be chosen to receive this award. The recipient will be chosen based on having the best overall academic achievement for the year provided they have completed a minimum of 10 credit units and successfully completed at least one course related to health care administration.

Application

Procedure: No application form is required. Recipient will be chosen at the end of the year after the final grades for the MBA academic year have been reported, usually in August. For further information, contact the Edwards MBA Office, Edwards School of Business at (306) 966-8678.
