

“Silver” Bursary

Description: The “Silver” Bursary is offered annually to provide recognition to students in the Edwards School of Business who are participating in classes associated with Health Care Administration and based on academic achievement.

Value: \$2,000 awarded annually

Eligibility: Open to students enrolled in the Edwards MBA program. Awarded annually to one student from the Edwards MBA Program who has participated in at least one graduate level course related to health care administration. The award will be given to the student based on preparing the best student essay, research paper, or research report as an individual assignment as determined by the Edwards MBA Awards Committee.

Application

Procedure: No application form is required. Students wishing to have their work considered will be required to ask their professor to make a submission on their behalf. The selection of the recipient will be made by the Edwards MBA Awards Committee. For further information, contact the Edwards MBA Office, Edwards School of Business at (306) 966-8678.
